Unless stated otherwise, all stats are cumulative totals from January 2020 and are updated at the end of each month.

## What's happening in May

- We're continuing heritage studies around the Wyangala Dam Project area.
- We're commencing the next round of geotechnical investigations on Wyangala Dam's clay core.
- We're commencing the next round of autumn field surveys for native animals and plants.
- Procurement for the Wyangala Water Treatment Plant is ongoing. The Project team encourage local businesses to register here.
- Meetings with key stakeholders are ongoing.
