

New South Wales

Available Water Determination Order for the Hunter Regulated River Water Source 2021 [No. 3]

under the

Water Management Act 2000

I, Allan Raine, having delegated authority in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 30th day of April 2021

Allan Raine
A/Director Water Planning Implementation
**Department of Planning, Industry and Environment – Water Group
(by delegation)**

Explanatory note

This Order is made under section 59(1)(a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for regulated river (general security) access licences in the water source identified in Schedule 1 of this Order.

Available Water Determination Order for the Hunter Regulated River Water Source 2021 [No. 3]

under the

Water Management Act 2000

1 Name of Order

This Order is the *Available Water Determination Order for the Hunter Regulated River Water Source 2021 [No. 3]*.

2 Commencement

This Order commences on the 30th of April 2021.

3 Available water determination

This Order determines the availability of water in relation to the water source specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2, on the terms specified in Schedule 2.

Schedule 1 Water Source

This Order applies to the Hunter Regulated River Water Source as identified in clause 4 of the *Water Sharing Plan for the Hunter Regulated River Water Source 2016*.

Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/ subcategory of access licence specified in Column 1.

COLUMN 1 Category/ subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Supplementary water access licences	1.0 megalitre

Note: An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*.
