

New South Wales

Available Water Determination Order for the Gundagai Alluvial Groundwater Source 2024

under the

Water Management Act 2000

I, Brian Graham, having delegated authority, in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 1st day of February 2024.

Brian Graham

Manager, Water Allocations

NSW Department of Climate Change, Energy, the Environment and Water - Water Group
(by delegation)

Explanatory note

This Order is made under section 59 (1) (a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for various categories of access licences in the water sources identified in Schedule 1.

Available Water Determination Order for the Gundagai Alluvial Groundwater Source 2024

under the

Water Management Act 2000

1 Name of Order

This Order is the *Available Water Determination Order for the Gundagai Alluvial Groundwater Source 2024*.

2 Commencement

This Order commences on the 1st of February 2024.

3 Available water determination

This Order determines the availability of water in relation to the water source specified in Schedule 1, for the categories and subcategories of access licence specified in Schedules 2 on the terms specified in Schedules 2.

Schedule 1 Water sources

This Order applies to the Gundagai Alluvial Groundwater Source as identified in clause 4 of the *Water Sharing Plan for the Murrumbidgee Alluvial Groundwater Sources 2020*.

Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category / subcategory of access licences specified in Column 1.

COLUMN 1 Category/subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Aquifer (High Security)	0.016 ML/share

Notes:

(1) An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*.

(2) This available water determination is in addition to any water allocation credited in accordance with any available water determination made in relation to the water source specified in Schedule 1, for a category or subcategory of access licence specified in Schedule 2, during this water year commencing 1 July 2023.
