

**Schedule F – New South Wales – Queensland  
Border Rivers Intergovernmental Agreement 2008**

This appendix is made pursuant to Schedule F of the New South Wales – Queensland Border Rivers Intergovernmental Agreement 2008. It provides the procedure for the available regulated water supplies in the Border Rivers to be accounted for on a continuous basis by carrying out regular water resource assessments as required under Section 1(v).

Unless otherwise agreed by the Border Standing Committee, the states agree to carry out regular water resource assessments in accordance the Dumaresq-Barwon Border Rivers Commission's (DBBRC) standing operating procedure "Continuous Accounting of States Share of the Inflows to Glenlyon Dam and the Border Rivers Regulated Flows – (July 2009)". In so doing the states recognise that the standing operating procedure may be amended from time to time by the DBBRC.

*Endorsed by the Border Standing Committee 5 April 2011*
