What's happening in October

- The Project team is hosting a community drop-in session at the Booligal Community Hall on Tuesday, 25 October 9:00am -12:00pm. The Project Director, Final Business Case representative team, and environmental planning specialists will be there to answer any questions you may have about the Project.
- We're continuing field studies for Spring flora and fauna surveys.
- We're continuing construction work on the new Wyangala Water Treatment Plant.
- Meetings with key stakeholders are ongoing.
