# Available Water Determination Order for the Bega and Brogo Regulated Rivers Water Source 2024

under the

Water Management Act 2000

I, Brian Graham, having delegated authority, in pursuance of section 59(1)(a) of the *Water Management Act 2000*, make the following Order.

Dated this 26th day of February 2024

A handwritten signature in blue ink, appearing to be 'B. Graham', written over a faint circular stamp.

Brian Graham

Manager, Water Allocations

**Department of Climate Change, Energy, the Environment and Water - Water Group  
(by delegation)**

## **Explanatory note**

This Order is made under section 59(1)(a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for various categories of access licences in the water source identified in Schedule 1.

# Available Water Determination Order for the Bega and Brogo Regulated Rivers Water Source 2024

under the

Water Management Act 2000

## 1 Name of Order

This Order is the *Available Water Determination Order for the Bega and Brogo Regulated Rivers Water Source 2024*.

## 2 Commencement

This Order commences on the 26<sup>th</sup> day of February 2024.

## 3 Available water determination

This Order determines the availability of water in relation to the water source specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2, on the terms specified in Schedule 2.

### Schedule 1 Water Sources

This Order applies to the Bega and Brogo Regulated Rivers Water Source as identified in clause 3 of the *Water Sharing Plan for the Bega River Area Regulated, Unregulated and Alluvial Water Sources 2023*.

### Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/subcategory of access licence specified in Column 1.

COLUMN 1 Category/subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Regulated river (general security)	0.10 megalitre

Notes: (1) An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*.

(2) This available water determination is in addition to any water allocation credited in accordance with any available water determination made in relation to the water source specified in Schedule 1, for a category or subcategory of access licence specified in Schedule 2, during this water year commencing 1 July 2023.
